# GENERAL RULES

(Applies to all classes)

1. Only the driver will be permitted to ride in the vehicle during the race, must sign a liability release.
2. Entry fee for driver and truck will be \$37.00 for all classes. Pit crew and all other persons entering pit area will pay \$12.00 pit admission fee. Any person entering the pit must sign a liability release. No refunds under any circumstance.
3. No alcoholic beverages allowed in the pit area. Persons caught consuming alcohol in the pit area will be escorted off the property.
4. Races start at 8:00 p.m.
5. There will be a three minute time limit for the vehicle to approach the starting line after their name/number has been called. If unable to stage in time you will be disqualified.
6. Once your vehicle is staged and the stage light comes on, you cannot back up and restage. For safety reasons, rules will be enforced.
7. Every vehicle must have good operating brakes.
8. All weights must be securely fastened to vehicle. If any weight is lost during the race you will be disqualified.
9. You must have a fully charged fire extinguisher in vehicle.
10. You must have a 5 point safety harness for all classes except stock which must have at least the factory seatbelt with shoulder belt.
11. Open wheel base vehicles are recommended to use arm restraints.
12. All participants must wear helmets. No skull type helmets.
13. Any vehicle going out of bounds will be disqualified. The judges' decision will be final.
14. No driver will be allowed to consume alcohol at any time prior to or during the races. Anyone found violating this rule will lead to the disqualification of the team.
15. Judges will check to be sure that all vehicles meet the requirements of their class; including general safety requirements.
16. Everyone in the pit area must have a pit pass and sign a liability waiver. No one under the age of 14 is allowed in the pit area after the races start.
17. Roll bar and drive shaft loops are required on all classes except stock.
18. Drivers' suit required for all classes except stock and economy. Drivers' suit is highly recommended for stock and economy classes.
19. ATTENTION: All drivers *must* start deceleration immediately at the finish line. In the attempt to clean the tires: *you must* come to a complete stop then burp throttle, and then you may proceed into the pit area. Continuing to accelerate through the shutdown area will not be tolerated. First offense will result in a *warning*. Second offense will result in a possible *disqualification* of the run prior to the offense. This rule is for everyone's safety and will be *strictly enforced!*
20. Absolutely no excessive acceleration at any time in the pit area. **Idle speed only!**
21. PROTEST: All protests must be filed with technical official prior to the start of the feature race for each class. The protest fee, \$150 in cash, will be given to the technical official by the registered car owner or driver filing the protest and cannot be withdrawn. The protesting owner or driver must be competing in that evening's race program in the class they wish to protest. The protested car must report immediately to the designated inspection area. If the protested car is illegal, the money is returned to the person filing the protest, and the illegal car forfeits all winnings and points for that program. If the protested car is legal, then the protested car collects the protest fee. No protested car may leave the premises prior to checking the protest without forfeiting points and winnings.
22. Points will be awarded as follows. 1<sup>st</sup> place: 40 points, 2<sup>nd</sup> place: 38 points, 3<sup>rd</sup> place: 36 points, remaining places will be decreased by 2 points per place. 20 points will be awarded for entering event. Points are awarded to driver only. If a driver is disqualified for any reason they forfeit their points for that event.
